About Institution

Chaitanya Bharathi Institute of Technology (CBIT) is one of the leading private engineering colleges in Telangana. The institution was established to provide quality technical education and develop skilled engineers, innovators, researchers, and entrepreneurs.

CBIT focuses on:

- **Technical education**
- **Research and innovation**
- **Industry collaboration**
- **Entrepreneurship**

- Skill development
- Ethical values and leadership

The institution provides undergraduate, postgraduate, and research programs in engineering, technology, management, and sciences.

2. Vision and Mission

Vision

To become a center of excellence in technical education and research, producing globally competent professionals with strong ethical values.

Mission

- Deliver quality education in engineering and management.
 - Promote innovation and research culture.
 - Enhance industry-oriented learning.
 - Develop leadership and communication skills.
 - Encourage entrepreneurship and social responsibility.
-

3. Management and Administration

Governing Organization

Chaitanya Bharathi Educational Society

Chairman

B. V. Raju

Chairman Responsibilities

- Institutional development
- Policy decisions
- Strategic planning
- Academic growth supervision

CEO

V. Lohit Reddy

CEO Responsibilities

- Administrative operations
- Student development initiatives
- Institutional modernization

- Innovation support
- Industry collaborations

Principal

C. V. Narasimhulu

Principal Responsibilities

- Academic administration
- Faculty coordination
- Student discipline
- Examination management
- Institutional operations

Directors

Director Academics

P. Prabhakar Reddy

Responsibilities:

- Curriculum planning
- Academic quality assurance
- Faculty development
- Teaching standards

Director R&D

D. Krishna Reddy

Responsibilities:

- Research supervision
- Publications and patents
- Research collaborations
- Innovation projects

Director Innovation & Incubation

Umakanta Chaudhury

Responsibilities:

- Startup incubation
- Entrepreneurship programs
- Innovation labs

- Industry innovation support
-

4. Administrative Departments

Admissions Cell

Responsibilities:

- Student admissions
- Certificate verification
- Seat allotment
- Fee processing
- Student record management

Admission Categories:

- Convener quota
- Management quota

Entrance Exams:

- TS EAMCET
 - GATE
 - ICET
 - PGECET
-

Examination Branch

Responsibilities:

- Semester examinations
- Hall ticket generation
- Result processing
- Revaluation process
- Grade management
- Supplementary exams

Digital Services:

- Online exam portal
- Digital result system
- Attendance integration

Training and Placement Cell

Responsibilities:

- **Campus placements**
- **Aptitude training**
- **Coding preparation**
- **Resume workshops**
- **Mock interviews**
- **Internship coordination**

Placement Activities:

- **Online tests**
- **Technical interviews**
- **HR interviews**
- **Group discussions**

Top Recruiters:

- **Microsoft**
- **Oracle**
- **Deloitte**
- **Infosys**
- **TCS**
- **Accenture**
- **Cognizant**
- **Salesforce**
- **JP Morgan**

Accounts Section

Responsibilities:

- **Fee collection**
- **Salary processing**
- **Scholarship handling**
- **Budget planning**

- Financial auditing
 - Tax compliance
-

Human Resources Department

Responsibilities:

- Faculty recruitment
- Staff recruitment
- Employee records
- Leave management
- Performance evaluation
- Salary administration

Recruitment Focus:

- PhD qualifications
 - Teaching experience
 - Research publications
 - Industry knowledge
-

Library Administration

Facilities:

- Technical books
- Journals
- E-books
- Research papers
- Digital libraries
- Reading halls

Digital Resources:

- IEEE
- Springer
- Online journals
- Research databases

Services:

- **Book issue and return**
 - **Research support**
 - **Digital access**
-

Hostel Administration

Facilities:

- **Boys hostel**
- **Girls hostel**
- **Wi-Fi**
- **Mess facilities**
- **Security systems**
- **Study rooms**

Responsibilities:

- **Room allocation**
 - **Student welfare**
 - **Discipline management**
 - **Hostel maintenance**
-

Student Affairs Department

Responsibilities:

- **Student counseling**
- **Club coordination**
- **Cultural activities**
- **Student grievances**
- **Sports activities**
- **Technical events**

Events Managed:

- **Hackathons**
- **Workshops**
- **Technical fests**
- **Cultural programs**

IT Infrastructure Team

Responsibilities:

- **Campus networking**
- **ERP maintenance**
- **Website management**
- **Smart classrooms**
- **Cybersecurity**
- **Computer laboratories**

Infrastructure:

- **High-speed internet**
 - **Servers**
 - **Digital classrooms**
 - **Online portals**
-

5. Academic Administration

Board of Studies (BoS)

Responsibilities:

- **Syllabus updates**
- **Curriculum revision**
- **New subject introduction**
- **Industry-oriented curriculum**

Members Include:

- **HODs**
 - **Senior faculty**
 - **Industry experts**
 - **University nominees**
-

Academic Council

Responsibilities:

- **Academic policy approval**

- Credit system management
 - Curriculum framework approval
 - Examination regulations
-

Examination Cell

Responsibilities:

- Conducting examinations
 - Result publication
 - Confidentiality management
 - Malpractice handling
-

Department Academic Committees

Responsibilities:

- Monitoring student performance
 - Internal assessments
 - Attendance monitoring
 - Faculty coordination
-

6. Departments Offered

Engineering Departments

1. Computer Science and Engineering (CSE)
2. Information Technology (IT)
3. Artificial Intelligence and Data Science (AI&DS)
4. Artificial Intelligence and Machine Learning (AI&ML)
5. Electronics and Communication Engineering (ECE)
6. Electrical and Electronics Engineering (EEE)
7. Mechanical Engineering
8. Civil Engineering
9. Chemical Engineering
10. Biotechnology
11. Electronics Engineering (VLSI)

12. Humanities and Sciences

PG Programs

- **MBA**
 - **MCA**
 - **M.Tech Programs**
-

7. Student Intake

Undergraduate Intake

Program	Intake
CSE	360
IT	180
ECE	180
AI & ML	180
AI & DS	120
Civil	120
Mechanical	120
EEE	120
Biotechnology	120
Chemical Engineering	60
VLSI	60
IoT & Cyber Security	60

8. Faculty and Staff Administration

Employee Categories

- **Professors**
- **Associate Professors**
- **Assistant Professors**
- **Lab Technicians**
- **Administrative Officers**

- Clerical Staff
- Maintenance Workers
- Security Staff

Professors

Responsibilities:

- Research supervision
- Advanced teaching
- PhD guidance
- Curriculum planning

Associate Professors

Responsibilities:

- Student mentoring
- Teaching
- Publications
- Research support

Assistant Professors

Responsibilities:

- Classroom teaching
- Lab sessions
- Internal evaluations
- Student mentoring

Lab Technicians

Responsibilities:

- Laboratory maintenance
- Equipment handling
- Practical support

Administrative Officers

Responsibilities:

- Official documentation
- Inter-department coordination
- Administrative operations

Clerical Staff

Responsibilities:

- Data entry
- Student records
- Documentation management

Maintenance Workers

Responsibilities:

- Cleaning
- Electrical maintenance
- Water systems
- Campus upkeep

Security Staff

Responsibilities:

- Campus security
- Hostel security
- Visitor management
- Event safety

9. Infrastructure and Facilities

Academic Infrastructure

- Smart classrooms
- Seminar halls
- Research labs
- Innovation centers
- Computer laboratories

Library Facilities

- Central library
- Digital library
- Reading halls
- Online databases

Sports Facilities

- Indoor sports
- Outdoor sports
- Gymnasium
- Sports grounds

Hostel Facilities

- Separate hostels for boys and girls
- Wi-Fi access
- Dining facilities
- Security systems

Other Facilities

- Cafeteria
- Medical support
- Auditorium
- Transportation

10. Placement Information

Placement Training

Students receive training in:

- Aptitude
- Coding
- Communication skills
- Resume building
- Interview preparation
- Group discussions

Placement Process

1. Company registration
2. Online assessments
3. Technical interviews
4. HR interviews
5. Final selection

Major Recruiters

- Microsoft
- Oracle
- Deloitte
- Infosys
- TCS
- Accenture
- Cognizant
- Wipro
- Salesforce
- JP Morgan

Placement Highlights

- High placement rate for CSE and IT
 - Strong software company presence
 - Internship opportunities
 - Industry collaborations
-

11. Student Support Systems

Counseling Services

Support provided for:

- Academic stress
- Career planning
- Personal counseling

Anti-Ragging Committee

Responsibilities:

- Student safety
- Complaint resolution
- Awareness programs

Women Protection Cell

Responsibilities:

- Female student safety
- Harassment prevention

- Awareness initiatives

Mentorship System

Faculty mentors guide students in:

- Academics
- Placements
- Career development

Scholarship Support

Types:

- Government scholarships
 - Merit scholarships
 - Fee reimbursement
-

12. Digital Systems

Online Attendance System

Features:

- Attendance tracking
- Shortage monitoring
- Academic performance tracking

Digital Exam Portal

Features:

- Hall tickets
- Results
- Notifications
- Revaluation forms

ERP System

Features:

- Student profiles
- Fee details
- Academic records
- Faculty communication

Academic Timetable System

Features:

- Class schedules
 - Lab schedules
 - Exam timetables
 - Faculty timetables
-

13. Research and Innovation

Research Activities

- Publications
- Patents
- Industry projects
- Conferences
- Technical workshops

Innovation Activities

- Startup incubation
 - Hackathons
 - Innovation labs
 - Entrepreneurship programs
-

14. Student Activities and Clubs

Technical Clubs

- Coding clubs
- Robotics clubs
- AI clubs
- Hackathon teams

Cultural Clubs

- Dance clubs
- Music clubs
- Drama clubs
- Literary clubs

Sports Activities

- Cricket
 - Football
 - Volleyball
 - Indoor games

Faculty Details by Department — Chaitanya Bharathi Institute of Technology

1. Computer Science & Engineering (CSE)

HOD

- Dr. P. Rajesh Kumar (*department leadership information may change yearly*)

Faculty Structure

- Professors
- Associate Professors
- Assistant Professors
- Lab Assistants

Major Subjects

- Data Structures
- DBMS
- Operating Systems

- AI
- Machine Learning
- Cloud Computing
- Cyber Security

Labs

- AI Lab
- ML Lab
- Programming Lab
- Database Lab
- Cloud Lab

Placement Status

Highest placement opportunities in CBIT.

2. Information Technology (IT)

HOD

- Senior faculty appointed by academic administration

Focus Areas

- Software development
- Networking
- Web technologies
- Full-stack development

Labs

- Networking Lab
- Web Development Lab
- Java Lab

Placements

Very strong placement branch after CSE.

3. Artificial Intelligence & Data Science (AI&DS)

Focus

- Machine Learning
- Deep Learning
- Data Analytics
- NLP
- Big Data

Labs

- Data Science Lab
- Python Programming Lab
- AI Research Lab

Industry Opportunities

- AI Engineer
 - Data Scientist
 - ML Engineer
-

4. AI & Machine Learning (AI&ML)

Subjects

- Neural Networks
- Deep Learning
- Generative AI
- Computer Vision

Labs

- TensorFlow Lab
- AI Project Lab

- NLP Lab

Placement Companies

- Product companies
 - AI startups
 - Software companies
-

5. Electronics & Communication Engineering (ECE)

HOD

- Dr. D. Krishna Reddy

Subjects

- VLSI
- Embedded Systems
- Communication Systems
- Signal Processing

Labs

- VLSI Lab
- Embedded Systems Lab
- DSP Lab

Recruiters

- Qualcomm
 - Intel
 - TCS
 - Infosys
-

6. Electrical & Electronics Engineering (EEE)

Subjects

- Power Systems
- Electrical Machines
- Control Systems

Labs

- Machines Lab

- Power Electronics Lab

Career Areas

- Electrical industries
 - Government jobs
 - PSU exams
-

7. Mechanical Engineering

Facilities

- CAD/CAM Lab
- Thermal Engineering Lab
- Manufacturing Lab

Student Activities

- Robotics
- Automotive projects
- Racing competitions

Career Areas

- Manufacturing
 - Automobile sector
 - Design engineering
-

8. Civil Engineering

Labs

- Survey Lab
- Concrete Lab
- Structural Engineering Lab

Career Areas

- Construction companies
 - Government departments
 - Structural design
-

9. Chemical Engineering

Labs

- Process Control Lab
- Heat Transfer Lab
- Chemical Reaction Lab

Career Areas

- Oil industries
 - Chemical plants
 - Pharma sector
-

10. Biotechnology

Labs

- Genetics Lab
- Microbiology Lab
- Bioprocess Lab

Career Areas

- Research
 - Pharmaceuticals
 - Bioinformatics

G. Ajay Kumar	Assistant Professor	M.Tech
T. Srinivas	Process Lab Technician	Diploma

Biotechnology

Name	Designation	Qualification
Dr. V. Aruna	Professor & HOD	PhD
M. Haritha	Associate Professor	M.Tech
P. Sindhu	Assistant Professor	M.Tech
K. Nikhil Reddy	Research Assistant	MSc

Name	Designation	Qualification
B. Ramesh	Lab Technician	Diploma

MBA Department

Name	Designation	Qualification
Dr. S. Saraswathi	Professor & HOD	PhD
A. Raghavendra	Associate Professor	MBA, PhD
K. Pravallika	Assistant Professor	MBA
D. Naveen Kumar	Assistant Professor	MBA
P. Suresh	Administrative Coordinator	B.Com

MCA Department

Name	Designation	Qualification
Dr. B. Indira	Professor & HOD	PhD
N. Sai Krishna	Associate Professor	MCA
P. Tejaswini	Assistant Professor	MCA
V. Charitha	Assistant Professor	MCA
T. Raju	Computer Lab Assistant	Diploma

Placement Cell Staff

Name	Designation
Dr. N. L. N. Reddy	Placement Advisor
Dr. S. Solomon Raj	Assistant Director – CDC
Dr. Prathima Tirumalareddy	Assistant Director – CDC
K. Venkat Reddy	Assistant Programmer

Approximate Student Strength in Each Department — Chaitanya Bharathi Institute of Technology

These numbers are approximate estimates based on intake capacity × 4 years of B.Tech study. Actual numbers vary each academic year.

Undergraduate Departments

Department	Annual Intake Approx Total Students (4 Years)	
Computer Science & Engineering (CSE)	360	1400–1500
Information Technology (IT)	180	700–800
AI & Machine Learning (AI&ML)	180	700–800

Department	Annual Intake	Approx Total Students (4 Years)
AI & Data Science (AI&DS)	120	450–550
Electronics & Communication Engineering (ECE)	180	700–800
Electrical & Electronics Engineering (EEE)	120	450–550
Mechanical Engineering	120	450–550
Civil Engineering	120	450–550
Biotechnology	120	450–550
Chemical Engineering	60	220–280
IoT & Cyber Security	60	220–280
VLSI	60	220–280

PG Departments

Department	Approx Students
MBA	200–300
MCA	120–180
M.Tech Programs	100–200

Total Student Strength (Approximate)

Category	Approx Students
UG Students	6000–7000
PG Students	500–800
Total Campus Strength	7000–8000

Branch-wise Popularity

Highest Student Strength

1. CSE
2. AI & ML
3. IT

4. ECE

These branches usually have:

- More sections
 - More faculty
 - Higher placement participation
-

Typical Section Distribution

Example for CSE:

Year	Sections
------	----------

1st Year	5–6 Sections
----------	--------------

2nd Year	5–6 Sections
----------	--------------

3rd Year	5–6 Sections
----------	--------------

4th Year	5–6 Sections
----------	--------------

Each section generally contains:

- 60–70 students
-

Gender Distribution (Approximate)

Category	Approx Percentage
----------	-------------------

Male Students	60–70%
---------------	--------

Female Students	30–40%
-----------------	--------

Branches like:

- CSE
- IT
- AI&DS
- Biotechnology

usually have comparatively higher female student participation.

Faculty-to-Student Ratio

Approximate ratio:

Metric	Value
--------	-------

Faculty–Student Ratio	1:18
-----------------------	------

This means:

- One faculty member for around 18 students.

Department-wise Faculty Strength (Approximate)

Department	Faculty Count
------------	---------------

CSE	50–60
-----	-------

IT	25–35
----	-------

AI&ML	20–30
-------	-------

AI&DS	20–25
-------	-------

ECE	40–50
-----	-------

EEE	25–35
-----	-------

Mechanical	30–40
------------	-------

Civil	25–35
-------	-------

Biotechnology	20–25
---------------	-------

MBA	15–20
-----	-------
